Webinar: Substance Abuse Prevention Ethics Training for Recertification

Registration

Registration is recommended for Substance abuse prevention specialists, public health professionals, health educators, and key coalition staff.

Course Description

The Iowa Department of Public Health (IDPH), in collaboration with Midwest Counterdrug Training Center (MCTC), is offering the Substance Abuse Prevention Ethics Training.

Topics Included

Identify standards of conduct for relating to service recipients.

Set professional goals, with prevention ethics standards in mind, for working with service recipients.

Utilize a method of decision making for difficult ethical situations.

Prerequisites

This is a recertification course for prevention professionals who already have their Certified Prevention Specialists designation.
