

## **Ethics for Clinical Professionals**

### **Date / Time**

Thu, Jun 11, 2020

12:30 - 11:59pm

### **Location**

Virtual

United States

Covid-19 is presenting unique challenges for helping professionals that might have already been experiencing heavy caseloads, severe client issues and blurred boundary lines between work and life outside of work. This session will review ethical considerations of wellness during the Covid Era as well as review ethical implications related to telemental health, social media and challenge attendees to develop a success plan for getting through COVID-19.
