

Person Centered Planning

Date / Time

Wed, Sep 30, 2020

9:00am - 11:59pm

Location

Virtual

United States

The Virtual Learning Series: Person Centered Planning event will take place on September 30, 2020. This virtual learning will focus on person centered planning for individuals with substance use disorders and co-occurring conditions, specifically addressing brain injury, intimate partner violence, opioid use disorder and problem gambling.

The information shared at this event is presented as an opportunity to expand awareness and knowledge. Views expressed by speakers do not represent the views of the Iowa Department of Public Health, nor does IDPH control or guarantee the accuracy of this information. IDPH does not endorse individual vendors, products or services.

Sponsored by the Iowa Department of Public Health and coordinated by Iowa State University- Conference Planning and Management. Funding provided by state appropriations, the State Opioid Response (CFDA 93.788) federal grant and the Substance Abuse Prevention and Treatment Block Grant (CFDA 93.959).
