

Telehealth in Iowa

Date / Time

Wed, Sep 16, 2020

2:00 - 11:59pm

Location

Virtual

United States

The utilization of telehealth has increased exponentially for health services, including behavioral health, as Iowa deals with the COVID-19 pandemic. This session will include a panel of behavioral health professionals who have had direct experience with implementing telehealth services in substance use disorder treatment programs here in Iowa. The panel will discuss their experiences, challenges and successes that they have had with telehealth in Iowa.

- Des Moines University is Iowa Board of Nursing approved provider #112. This live activity has been reviewed and approved for 1.5 continuing education contact hour(s). Nurses must attend the entire session within each day to receive credit. Partial session credit is prohibited and will be forfeited.
- Approved by the Iowa Board of Certification for 1.5 hour - Generic.
