

Gambling Counseling – Part 2

Event Topic

[Gambling](#)

Date / Time

Thu, May 13, 2021

12:00 - 1:00pm

Location

Virtual

This session will concentrate on the counselors skills needed to work with disordered clients in the early stages of recovery. Time will be spent on dual diagnosis SA clients and early stage recovery from both disorders.

Objectives:

- Participants will understand the timelines of recovery.
- Participants will understand the milestones of early recovery according to Dr. Custer's book.
- Participants will be given tools to help aid the clients in "early" recovery stage.

Registration Information

Click on the "Register" button to register for any or all of the sessions in the series. Upon registration, a confirmation email will be created and sent to the registrant.
