

1-800-BETS OFF: Be #1 at Getting Help

Event Topic

[Gambling](#)

Date / Time

Wed, Feb 24, 2021
10:00 - 11:30am

Location

Virtual

This session will take participants through the qualitative research used to create the current 1-800-BETS OFF campaign, and how to best use the materials to assist prevention, treatment, and responsible gaming efforts.

Objectives:

- Learn about the steps in the qualitative research process
- Learn how the research impacted campaign design
- Understand how to utilize and leverage key messaging.

No recording available for this webinar.
