Date / Time

Wed, Mar 24, 2021
10:30am - 12:00pm

Location

Virtual

This session will provide an overview about financial literacy efforts in Iowa, and how including financial literacy can improve overall wellness.

This session will provide an overview about financial literacy efforts in Iowa, and how including financial literacy can improve overall wellness.

Objectives:

- Why should everyone be financial literate?
- How does financial literacy translate to financial wellness?
- What is financial wellness?
- Learn how to use a free, sales-free state website to educate yourselves and others on financial matters ranging from how to set up a budgeting to retirement.

Presenter:

Sonya Sellmeyer (Consumer Advocate, Iowa Insurance Division)
