

Neurobehavioral Challenges in Acquired Brain Injury: Embracing the Challenge with Dignity

Event Topic

[Brain Injury](#)

Date / Time

Wed, Jul 12, 2023
11:00am - 12:00pm

Location

Virtual

Description

This presentation provides an overview of thought processes in the management of neurobehavioral challenges post ABI. It includes a reconceptualization of the traditional “behavior team / behavior plan” as “dignity team / dignity plan” and includes common challenges, thought processes, and specific interventions in both a theoretical and practical format. Case examples are provided.

Individuals with disabilities are encouraged to attend all University of Iowa sponsored events. If you are a person who requires a reasonable accommodation in order to participate in this program, please contact Victoria at victoria-keith@uiowa.edu.

The Iowa Board of Certification has approved the training for 1.0 CEU of Counseling Theories & Techniques.

Live ASL interpretation will be provided and Zoom captions will be enabled. Other reasonable accommodations may be requested by contacting Victoria by emailing victoria-keith@uiowa.edu.

Participants will receive a certificate of attendance within 30 days of the webinar.
