

## Neurobehavioral Challenges in Acquired Brain Injury: Embracing the Challenge with Dignity

### **Event Topic**

[Brain Injury](#)

### **Date / Time**

Wed, Jul 12, 2023  
11:00am - 12:00pm

### **Location**

Virtual

## **Description**

This presentation provides an overview of thought processes in the management of neurobehavioral challenges post ABI. It includes a reconceptualization of the traditional “behavior team / behavior plan” as “dignity team / dignity plan” and includes common challenges, thought processes, and specific interventions in both a theoretical and practical format. Case examples are provided.

---

Individuals with disabilities are encouraged to attend all University of Iowa sponsored events. If you are a person who requires a reasonable accommodation in order to participate in this program, please contact Victoria at [victoria-keith@uiowa.edu](mailto:victoria-keith@uiowa.edu).

---
