The Unsung Heroes Summit is an essential training event

designed for nonprofit leaders at all levels within Iowa's behavioral health and human services sector. With a highly experiential agenda, attendees will be empowered and equipped with evidence-based strategies to strengthen their impact, personally and professionally.

Learning objectives:

- Enhance personal leadership skills
 - Incorporate active movement to build mind-body connections
 - Foster resilience through workplace wellbeing tools
 - Build a supportive network among peers.
-

The target audience is professionals across the behavioral health and human services spectrum, from educational support specialists to frontline workers to executive leaders, all of whom play a crucial role in supporting the needs of Iowa's children, individuals, families, and communities.

The event will be held in the Dows Multipurpose Room in Siebens Forum.

Registration Information
