We are passionate about creating

opportunities, fostering economic improvement, and shaping the future of our workforce! We're also proud to share that, since our organizations began this work, the city of Waterloo, Iowa's crime rate has dropped by 17%!

Joy Briscoe from One Cedar Valley has joined forces with One City United to host an event at Hope City Church at their Waterloo campus on Friday, March 28th. Please see the flyer below and register to attend the Re-entry Simulation and Employer Success Panel event.

This event is a result of the Reform Advocacy Institute, and we believe it will be valuable to our community and our state. It is designed for legislators, churches, employers, community members, service providers, law enforcement, funders, and our partners in corrections.

Intended Audience
