

You can become dependent on opioids in just five days.
Learn the facts.

You can become dependent on opioids in just five days.
Learn the facts.

4 out of 5 new heroin users start with opioids.
Get smart about opioids.

Unless a drug is prescribed for you by a doctor, it's not safe.
Get the facts.

Opioids reduce pain. But you keep needing more and more—
and become dependent.

Prescription drug overdoses kill more people than car crashes.
The truth saves.
