

A black and white photograph of two young women. The woman on the left has dark, curly hair and is resting her chin on her hand, looking down with a slight smile. The woman on the right has light-colored hair tied up in a bun and is looking towards the first woman, smiling broadly. The background is blurred, suggesting an indoor setting.

**With fentanyl in street drugs,
that's the chance you take.**

Fentanyl is being found in cocaine,
heroin, meth and illegal pills. And
you won't know you've taken it,
until it's too late.

**Remember, you don't know
what contains fentanyl.**
