

# **Imagine the friendships you've created, GONE IN AN INSTANT.**

**With fentanyl in street drugs,  
that's the chance you take –  
even by mistake.**

Fentanyl is being found in cocaine, heroin, meth and illegal pills. And you won't know you've taken it, until it's too late.

**Remember, you don't know what  
contains fentanyl.**

**Learn more  
about the  
dangers of  
fentanyl.**
