

**Imagine all the
friendships you've
created, GONE IN
AN INSTANT.**

**With fentanyl in street drugs,
that's the chance you take.**

Fentanyl is being found in cocaine, heroin,
meth and illegal pills. And you won't know
you've taken it, until it's too late.

**Remember, you don't know
what contains fentanyl.**

**Learn more
about the
dangers of
fentanyl.**
