

**Imagine everything
you love about
your life,
GONE IN AN
INSTANT.**

**With fentanyl in street drugs,
that's the chance you take.**

Fentanyl is being found in cocaine, heroin,
meth and illegal pills. And you won't know
you've taken it, until it's too late.

**Remember, you don't know
what contains fentanyl.**

Learn more
about the
dangers of
fentanyl.
